**DISCUSSION:**

1. Can you remember the first time you heard about the truth of salvation through grace?  
What was that experience like and how did you respond to it?
2. Was there ever a point in your life where you thought God accepted you by merit of your works? How did it feel when you realized you were saved apart from works and you simply had to believe in Jesus' works on your behalf to be saved?
3. How do we sometimes fall back into the trap of thinking our salvation is based on our own merit or works?
4. What are some practical ways you can tell someone this week about salvation through grace?

**TAKE HOME**

- \* Wherever you are in your walk with God, He's calling you to go to the next level.
- \* If you're just learning about God, receive the free gift of His salvation and realize that Jesus completely paid for your every sin so you can spend eternity with God.
- \* If you've been saved for a long time, don't fall back into the trap of thinking you're saved by works. Share the truth of God's grace and salvation with someone this week.

**PRAYER:**

Father, thank You for sending Jesus to pay for all my sins. Thank You that I'm not saved by works, but simply through faith. I receive the gift of salvation freely. I ask you to help me move to deeper levels of commitment in my life to You. In Jesus' name, Amen.
